

ST. JOSEPH

CATHOLIC SCHOOL

Teaching the Mind...Nourishing the Soul

Dear Prospective Family,

Thank you for taking the time to explore St. Joseph Catholic School. We believe a strong, faith-filled educational foundation is so very important for a child's success in all areas of life. Having a community of dedicated faculty, staff, and parents behind what we do here at St. Joseph's, allows us the opportunity to foster and nurture tomorrow's leaders of the Church, and the community at large. We hope you feel welcome here, and that the presence of the Holy Spirit is known to you as you move throughout the building.

With our strong core curriculum, and our faculty's high expectations of their students, our graduates leave with the study habits, work ethic, and knowledge necessary to excel in high school and beyond.

Our graduates are able to expertly articulate ideas in both oral and written language, providing them with the confidence to develop solid leadership skills and a continuous desire to learn more.

Also, our graduates possess a profound sense of duty to their fellow man cultivated by the multiple opportunities this school provides to serve others. Service opportunities reveal what it means to be Catholic, as Christ has taught us. Our students know how to live out their faith by doing.

Again, thank you for visiting the school and for your consideration of making this your new home. If there is ever anything I can do to help you, please do not hesitate to ask. We look forward to the opportunity of serving your family.

In Christ's Service,

Diane Price
